

Today's Old News

**Depression,
computers and
Polish Working
Field's Work
Trade Unionism**

And so in fact we are now lecturing in a hall on the process of depression and computers, and I mean also Noam Chomsky is being debated.

Some Newsreel ways of Reading the News

Public Transportation and the Changing Face of Buses and Protest of them

.....

Now I articulate this to Slavoj.

A constellation for you – the Bremen uprising and the Polish Solidarity Trade Union and the newspaper youngsters and then the failure of Soviet computing and engineering crowds, all hanging out in what is called an umbrella form which then is a whole new set of protest demonstrations and Kieslowski lecturing institutes.

A lot of drama and fun was also had, we see it as Soviet rock and roll, and we have a lot of advice on following us.

Keep rocking out.

Be strung out junkies.

I mean then Polish Solidarity is like that.
